Thank you to all the groups who provided love gifts, lucky chance baskets, books to give away, and/or food for the hospitality room which was incredible by the way. We even had a popcorn machine this year thanks to Cheri H.!

Feel free to take a stone with a slogan on it, or take a stone and write your own slogan on it. Sharpies work great. They are great "anti-worry" stones to have in your pocket as a reminder of our program.

**If you were not able to attend I highly recommend you try next year. SAVE THE DATE ; June 8-10, 2018 for "It's a Family Affair"!**
