

What's New?

1. In an effort to be proactive and have information available to ALL Al-anon members as well as being prudent with our finances:
 - a. Beginning in Jan. 2017 WIS & Districts 19 -20 will be posting their minutes, agendas and any group activities, as available, on the website: www.al-anon-wichita.org. This will be a trial and will be re-evaluated in 6 months. "In keeping with our Traditions, especially Tradition 11, no last names or other personal information will be listed on the agendas or minutes, since our website is a public website. ***If sending flyers, please make sure to not list last names.***"
 - b. GR's - ***please*** pass this information on to your groups.
 - c. Any group activity flyers can also be posted on the website by sending them to thistooshallpass312@gmail.com
 - d. Paper copies of the minutes and agendas will no longer be printed and mailed. If you would like a paper copy feel free to print one from the website.

2. We are also asking that EVERY GROUP have an email address so notifications can be sent to you in this format. If your GR does not have an email, please create an email account and notify your DR of the address.
