

## Wichita Information Service

June 17,2017

### Report

After intense discussion, and recognizing that for at least the past six (6) years, the Wichita Information Service has been a one person project, the officers and interested Al-Anon members have proposed that the separate WIS meeting be eliminated and that WIS continue as an agenda item at District meetings as is the practice presently. Thus, any members attending District automatically become WIS members and eligible to vote on anything WIS needs approved.

The August WIS meeting will be cancelled and only resumed as an agenda item when District meeting resumes.

A second change will immediately be effective as well.

Before WIS will register Al-Anon as a participant in any future conference or event, the Chair will NEED a FIRM commitment from a GROUP to SET UP and MAN the table at the time the event is announced, usually 3-4 months in advance.

WIS will continue to support, both financially and with volunteers, the Answering Service and the [al-anon-wichita.org](http://al-anon-wichita.org) website as well as paying for the phone located in the Literature Distribution Center. In addition, WIS will financially support any conference for which there is a firm commitment from an Al-Anon group to set up and man a table.

Respectfully Submitted
